

# YOUTH SERVICES

## YOUR JOURNEY BEGINS HERE.

CareerSource Central Florida (CSCF) Youth Services is designed to help the next generation shape a better future for themselves. With a combination of life and career training from a coach who understands where you are and is excited to get you to achieve your goals, you'll earn invaluable skills that will benefit you for the rest of your life. We believe that your current challenges can be overcome, and your past does not define your future.

### JUMP START YOUR FUTURE

Meet the career coach that's going to encourage you, make sure your goals can be reached, and champion you every step of the way.

- Learning your current situation and challenges
- Allowing you the space to dream and expand your horizon
- Creating a customizable path and career plan to help you achieve success
- Developing a coaching plan that benefits and excites you

### CREATE YOUR IDEAL LIFESTYLE

Coaches will meet you where you are to determine where you need to be, and guide you toward a successful lifestyle you can maintain.

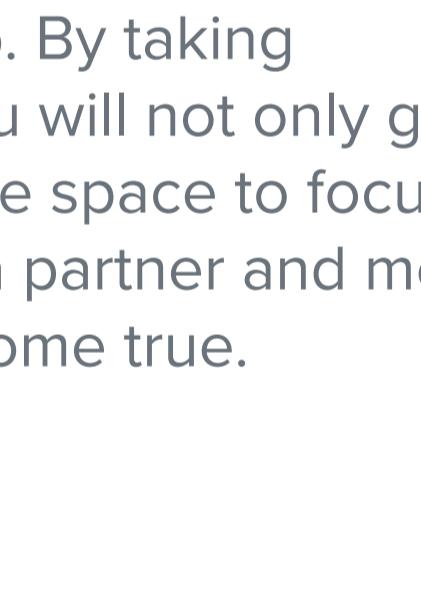

- Offering the necessary resources and skills to earn GED or high school diploma
- Preparing you for the working world with resume building and interview practice
- Focusing on personal growth through developing life skills and inner strength
- Training in leadership, personal budgeting and business ownership

### LAUNCH CAREER EXPLORATION

Coaches will present opportunities that match your goals and career interests in your desired industry.

- Scoring real world experience with local businesses
- Opening the door for paid and unpaid internship opportunities
- Earning on-the-job training and apprenticeships that'll elevate your resume
- Benefiting you with the opportunity to earn money while you learn

### PURSUE YOUR CAREER PATH

Coaches will determine where your interests lie and organize training sessions to grow your skill set.

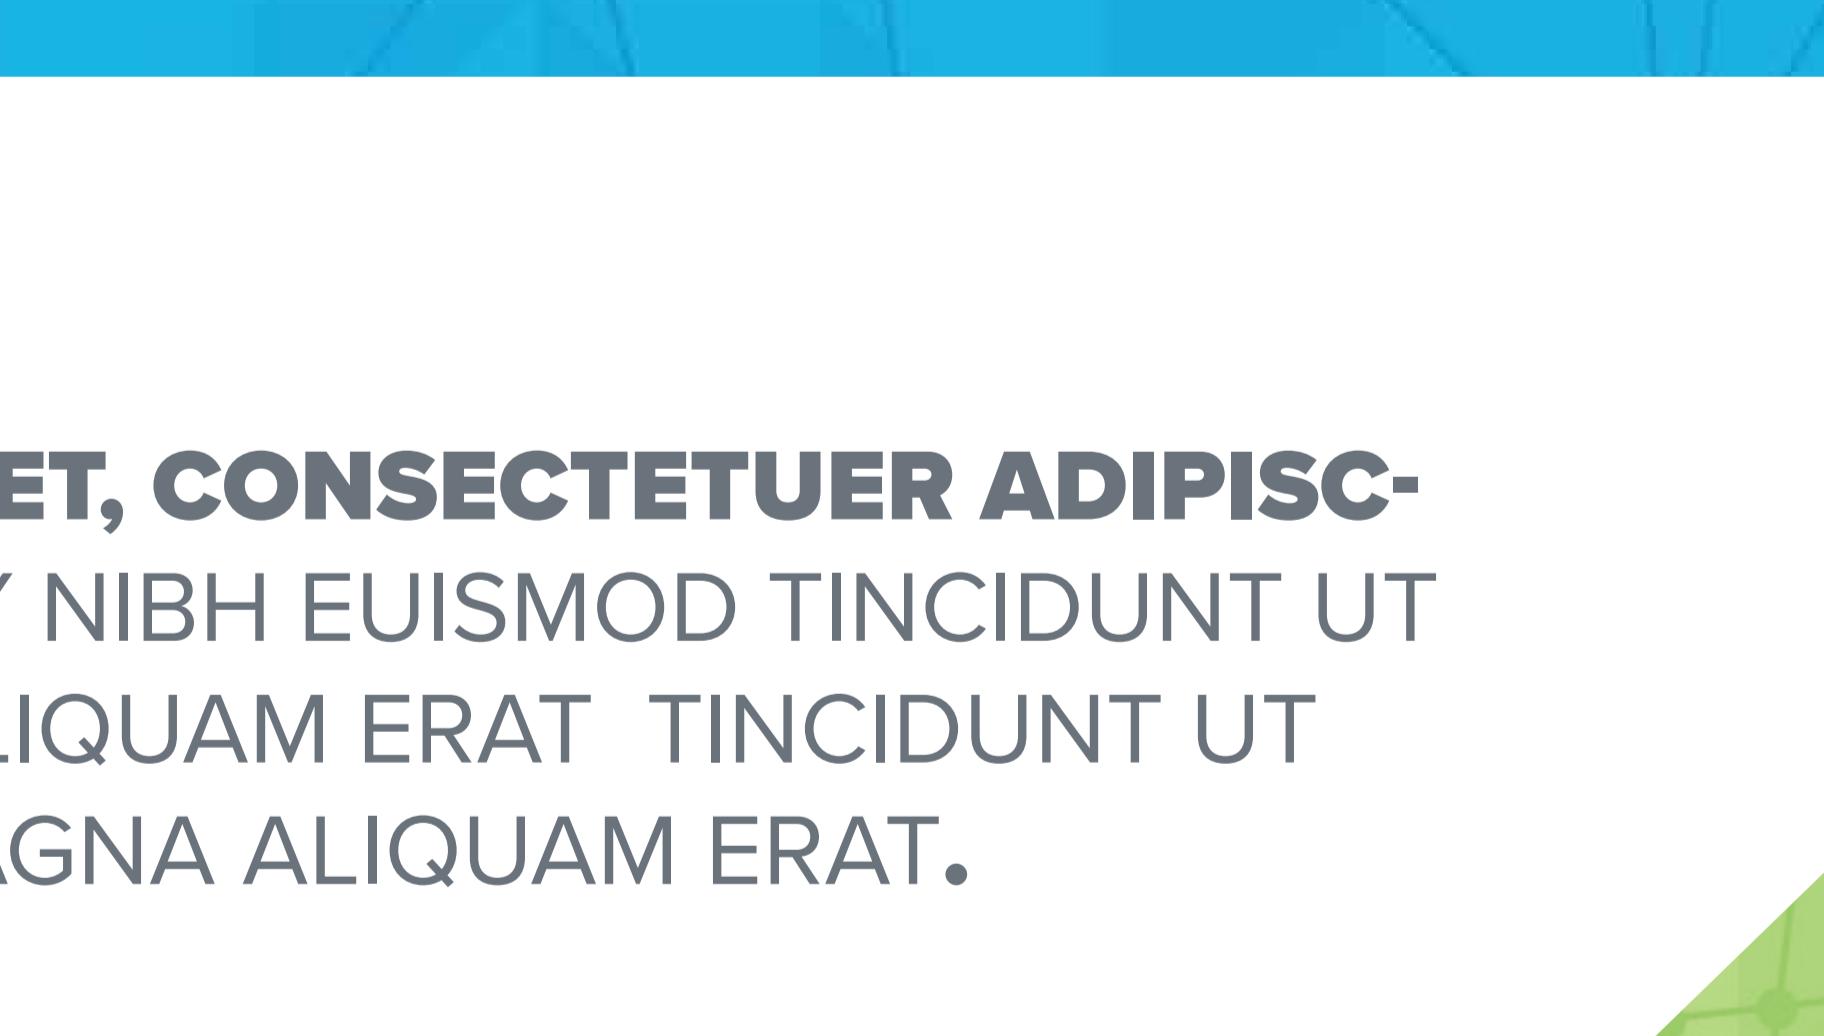

- Get access to scholarships to pursue your education
- Affording you the opportunity to earn credentials to increase marketability
- Providing advanced skills training for specific career paths

### REACH YOUR GOALS

Coaches build relationships and match you to career opportunities with local businesses. They can even help you take the next steps toward higher education or enroll you in the military if that's your goal.

- Meeting and networking with local business owners
- Taking advantage of our in-depth expertise in high-growth job market
- Matching your hard-earned skills to businesses that will appreciate them
- Enrolling you in any branch of military or higher education institution

## CAREER COACHING

Every CSCF coach is eager and dedicated to impact your life for the better. They are experienced, patient, and passionate about the next generation. Each coach is required to become certified to ensure they are the right fit for the job. By taking advantage of CSCF's Youth Services, you will not only gain a supportive community of people and safe space to focus on your evolving plan, but you'll also have a partner and mentor by your side to make your career dreams come true.
